Mt Hutt Memorial Hall visit:

A quick note of thanks for the warm hospitality extended to me at the Mt Hutt Memorial Hall Methven on Wednesday 24th July 2019. I thoroughly enjoyed my visit to your beautiful venue.

His Excellency Mr. Peter Ryan, Ambassador of Ireland to New Zealand and Samoa.

Business meeting:

Just a quick email to say thanks so much for your help last week when we ran our workshop at your venue. The staff was really very helpful and was happy to answer any question we had. Thank you. We were really happy with the day and the rooms we used worked really well. If we are running events in the Methven area in the future, we will be back! Thanks again.

Fundraising event:

A heartfelt thanks for your support with our fundraising event for our local school. We are extremely grateful for your support and this helped to ensure the event was the success that it was. A fabulous night of fun involvement was very much appreciated and helped to contribute to the success of the evening which ultimately is going to greatly benefit the education of our fabulous children. A missive thank you from us all!

Family reunion:

I must write to you saying how successful our family reunion event had been - far more successful than we had ever imagined. The venue was absolutely perfect - it could not have been better. And you gave us such gracious and amazing service.
